

May Newsletter

April flew by! I can't believe May is here and so is the end of the school year. Your children have really worked hard preparing for their next step in their educational journey. I can't describe how proud I am of each of them.

In our Culture class, we have gone around the world and had a great time doing it. I hope your children have enjoyed it as much as I have!

I wanted to thank all my parents and grandparents for their continued support and generosity. You have helped me throughout the year and have made my school year at ICCS a real pleasure. Anytime I needed anything, you were right there with a helping hand.

It has been a real pleasure getting to know and to teach your children. I will carry your children's smiles in my heart forever! They have kept me on my toes and even swept me off my feet a few times! I know they will have a great time in kindergarten.

I hope everyone has a safe and blessed summer. Please enjoy this special one on one time with your child during the summer before the rush of the school year begins again in August.
