### This Month

- **6th-10th** Teacher Appreciation Week
- **13th-16th** Spirit Week (Sports Day, USA Day, Superhero/Princess Day)
- **22nd** End of Year Program
- **23rd** Last Day of School

### Other Notes

We can't believe it is already May! Thank you for allowing us the honor of teaching your precious little ones. They have been a joy in our hearts and a blessing in our lives. We will truly miss them.

The children have been practicing for the End of the Year Program and are very excited to sing for you. You may drop off your child in the classroom on **May 22nd at 6:45** and go to the sanctuary.

This month, we will compare numbers 0-5 using the words more, less, greater than, and less than. We will also use objects to put together (add) and take away (subtract) using concrete objects (shells, blocks, etc.). We will learn to identify a dollar bill. Students will also answer "What will happen if" questions this month. For example, what will happen if...we go outside in the rain without an umbrella...we take the dog for a walk without a leash...we do not put on sunscreen on a sunny day?

Please continue to read to your kids and work on fine motor skills, and letter/number recognition. We hope everyone has a happy, healthy, and blessed summer!
