

MRS. STUDER & MRS. LOUTHAN'S THREES CLASS MAY NEWSLETTER

THIS MONTH

We can't believe it's already May! The children have been practicing for the End of the Year Program and are very excited to sing for you! You may drop off your child in the classroom, on May 22nd at 6:45pm, and then grab a seat in the sanctuary. Thank you for allowing us the honor of teaching your little ones! They have brought so much joy to our hearts and have been blessings in our lives. We will truly miss each and every one of them!

This month, we will compare numbers 0-5 using the words more, less, greater than, and less than. We will also use objects to put together (add) and take away (subtract) using concrete objects (shells, blocks, etc.) without using the addition and subtraction symbols (+, -). We will also learn to identify a dollar bill in comparison to coin money. Students will also answer "What will happen if" questions this month. We will also continue to review and learn our letters, focusing on uppercase identification, sound, and writing of the letters Y and Z.

We hope everyone has a happy, healthy, and blessed summer!

WEEKLY
